Valeo files its 2014 Registration Document

Paris, France, March 30, 2015 – Valeo announces the filing on March 27, 2015 of its 2014 Registration Document (*document de référence*) containing the Annual Financial Report (in French only) with the French financial markets authority (*Autorité des marchés financiers* – AMF).

The 2014 Registration Document is available on the Group's website www.valeo.com under Investors & Shareholders/Regulated Information as well as on the website of the AMF (www.amf-france.org).

The English language translation of the Registration Document will be available on the Group's website in the coming days.

The Registration Document includes the Report of the Chairman of the Board of Directors on the internal control and risk management procedures implemented by the Company as well as the related report of the Statutory Auditors, information concerning fees paid to the Statutory Auditors, the annual information document (pursuant to article 222-7 of the AMF's General Regulations), and details of the Company's share buyback program.

Valeo is an automotive supplier, partner to all automakers worldwide. As a technology company, Valeo proposes innovative products and systems that contribute to the reduction of CO₂ emissions and to the development of intuitive driving. In 2014, the Group generated sales of 12.7 billion euros and invested over 10% of its original equipment sales in R&D. Valeo has 133 plants, 16 research centers, 34 development centers, 15 distribution platforms and employs 78,500 people in 29 countries worldwide.

Valeo is listed on Euronext Paris and is a member of the CAC 40 index.
