General Terms of Purchase

1. **Scope**

   Unless otherwise agreed upon in writing with Valeo's Purchasing Department (the "Purchasing Department"), these General Terms of Purchase shall apply to all purchases made by Valeo whether they be for tools, machines or equipment, parts, raw materials, other materials, or services (the "Supply" or the "Supplies").

2. **Orders**

   2.1. **Purchase Order**

       Supplies must always be the subject of a purchase order (the "Order"), valid either for an unlimited period of time (the "Open Order") or for a limited period of time (the "Closed Order"). Orders shall be made by mail, fax, or any electronic means that has been agreed upon. Time shall be of the essence in the performance by the Supplier of an Order.

   2.2. **Acceptance of the General Terms of Purchase**

       The General Terms of Purchase shall be deemed accepted upon receipt of the acknowledgment of receipt attached to the Order, which is to be returned to the Purchasing Department by the supplier (the "Supplier") by mail, fax, or any electronic means that has been agreed upon, at the latest within eight (8) business days from the Order date. These General Terms of Purchase shall prevail over the Supplier’s terms of sale and contain all the terms of the contract between Valeo and the Supplier to the exclusion of all other terms, written or oral. In the absence of an acknowledgment of receipt, the beginning of the performance of the Order shall be deemed an express acceptance of these General Terms of Purchase and shall automatically entail the Supplier’s waiver of its own terms and conditions.

       Acceptance of these General Terms of Purchase shall automatically mean that the Supplier undertakes to comply with the Valeo Production System and the Valeo Quality System, as well as any other quality control procedure(s) that may be implemented during the Order.

   2.3. **Supplier's Specific Obligations**

       2.3.1 The Supplier, a professional in its field, is perfectly aware of the demands and requirements of the automobile industry, in particular in terms of quality, cost, and deadlines. The Supplier shall deliver the Supplies in compliance with this industry's standards and customary practices, as well as with all laws, regulations and standards in force concerning health, safety, environmental protection, and labor laws, in particular in each of the countries where the Supplies are manufactured, and the vehicles on which the Supplies are used, sold. The Supplier shall keep Valeo indemnified in full against all direct, indirect or consequential liabilities (all three of which terms include, without limitation, loss of profit, loss of business, depletion of goodwill and like loss), loss, damages, injury, costs and expenses (including legal and other professional fees and expenses) awarded against or incurred or paid by Valeo as a result of or in connection with any claim made against Valeo in respect of any liability, loss, damage, injury, cost or expense sustained by Valeo’s employees or agents or by any customer or third party to the extent that such liability, loss damage, injury, cost or expense was caused by, relates to or arises from the Supplies as a consequence of a direct or indirect breach or negligent performance or failure or delay in performance of the terms of the Order by the Supplier.
2.3.2 The Supplier shall deliver the Supplies in compliance with all other documents that govern the relations between Valeo and the Supplier in connection with the Supply and that are complementary to these General Terms of Purchase, in particular these include (but are not limited to) the drawings, specifications and list of requirements (the "Documents"). In particular, the Supplies shall have to be compliant with environmental requirements specified under ISO 14001.

2.3.3 At Valeo's request, the Supplier undertakes to make any modification to the Supply or to the Order, to provide any and all information about the Supplies or the Order, and to attest to the country of origin of the Supplies and the composition of all materials used in the Supplies.

2.3.4 The Supplier shall not modify the Supply in any way, in particular by changing its components, materials, the process(es) used for it, or its place of manufacture without prior approval, within the meaning given in the Valeo Quality Procedures and by customary rules and practices in the automobile industry.

2.3.5 The Supplier undertakes to deliver the Supply for the needs of the spare parts' market for a period of ten years after the sale of the last vehicle of the model(s) in the range on which said Supply was used.

2.3.6 In order to permanently maintain the competitiveness of both the Supply and the Valeo products in which said Supply is used, the Supplier agrees to implement measures to increase productivity continuously. The minimum level of annual productivity for the Supply shall be established by mutual agreement.

2.3.7 Acceptance of the Order shall automatically bind the Supplier to strictly comply with the delivery deadline shown either on the Closed Order or on the delivery schedule sent by EDI, WebEDI, or by fax in the event of an Open Order. No early delivery shall be accepted without prior agreement and expenses therefor shall be borne by the Supplier.

The Supplier shall indemnify and compensate Valeo for all direct or indirect costs resulting from failure to meet the delivery deadline, in particular (but not limited to) any failure that results in shutdowns of production or assembly lines at Valeo's facilities or those of its customer(s). Furthermore, Valeo shall have the option of canceling the Order in accordance with Article 13.2 herein. Any extra cost incurred by Valeo in sourcing substitute Supplies from a third party as a result of such delay shall be borne by the Supplier.

3. Intellectual and Industrial Property Rights

3.1 The Supplier shall be responsible for the validity of the intellectual and industrial property rights related to the Supplies, as well as the free use of the Supplies as regards the intellectual and industrial property rights of any third party and the Supplier warrants that the marketing, sale or use of the Supplies do not and will not infringe upon any copyright, patent, trademark, service mark, trade secret or other proprietary or intellectual property right of any person. The Supplier shall indemnify and hold Valeo harmless from any complaint and/or claim made by a third party.

In the event that a third party initiates proceedings requesting that the use, marketing, or sale of the Supplies be forbidden, limited, or modified, the Supplier shall be solely liable for the consequences resulting from these proceedings that may give rise to payment of damages, including damages for any negative effect such proceedings might have on Valeo's corporate reputation. The Supplier shall indemnify and compensate Valeo for all damage sustained as a result of the partial or total failure to perform any contract(s) binding Valeo to its customer(s) in relation to the Supplies, including any damages payments that Valeo might owe to its
customer(s) for failing to fulfill its commitments and the extra costs caused by any modification needed for the Supplies and/or the tools involved.

Furthermore, Valeo shall have the option of canceling the Order in accordance with Article 13.2 herein.

3.2 In the event the Order is cancelled for any reason whatsoever, the Supplier hereby authorizes Valeo to complete or cause to be completed the tools and equipment in order to ensure or cause to be ensured their maintenance and/or to manufacture the parts for which they are intended, notwithstanding any intellectual and/or industrial property rights which the Supplier may claim and which the Supplier hereby waives enforcing against Valeo or any third party employed or otherwise contracted by Valeo in connection with this. Furthermore, the Supplier shall, at Valeo’s request, provide all drawings, technical documents and know-how related to the tools, equipment, and/or parts.

4. **Prices, Invoicing, and Payment Terms**

4.1. **Prices**

4.1.1 Applicable prices shall be those shown on the Order. They shall be firm and may not be revised and shall be understood "Delivery Duty Paid", or "DDP", (as defined in Incoterms 2010 or any subsequent Incoterms that may be substituted for Incoterms 2010), place of delivery. They may not be modified in any way whatsoever without the express written agreement of both parties. Neither of the two parties may suddenly stop performing the Order. The party whose price proposal was refused after negotiations in good faith may terminate the Order subject to the conditions set forth herein, but in the event of termination by the Supplier, Valeo must be able to ensure the continuation of the performance of its obligations to its customer(s) until manufacture of the Supply that is the subject of the terminated Order begins once again at another supplier's facilities.

4.2. **Invoicing and Payment Terms**

All the details shown on the Order that allow the Supplies to be identified and checked shall be shown clearly on the invoice. The invoice must be sent to the address shown on the face of the Order.

The term of payment shall be, as from the date of delivery of the Supplies, ninety (90) days. Valeo shall have the option of offsetting by means of “debit note” amounts owed to it by the Supplier for any reason whatsoever in connection with the Order. Unless expressly authorized by Valeo, the Supplier may not assign by any means whatsoever debts owed to it by Valeo.

5. **Packaging and Shipping Documents**

The Supplier shall deliver the Supplies in a packaging that is adapted to the type of Supplies involved, the way they are shipped, and the way they will be stocked, in order to deliver them in perfect condition.

Each packaging unit must legibly show on the outside the notices required by the applicable shipping regulations, as well as any instructions for special conditions required for stocking. These notices shall show the Order number, the batch number, the exact name of the Supplies, the sender and recipient's exact names and addresses, the quantity delivered, and the gross and net weight. Two (2) exact copies of the delivery slip shall accompany the delivery and shall
enable the Supplies to be identified, checked as to their quantity, and if applicable, shall include any material safety data sheets

The Supplier shall be financially responsible for any damage (breakage, missing items, partial damage, etc.) to the Supply as a result of inappropriate or inadequate packaging.

6. **Delivery**

6.1 Supplies shall be delivered to the place of delivery shown on the Order.

6.2 Valeo reserves the right to refuse delivery of the Supplies, by ordinary letter, fax, or any other electronic means agreed upon in the event the delivery deadline is not respected or that delivery is incomplete or contains more Supplies than ordered or does not comply with the Order and/or the Documents.

6.3 Any Supply that is refused shall be returned to the Supplier at its own expense and risks within eight (8) days from the date of the notice of refusal of delivery.

The Supplier shall indemnify Valeo in full against all direct, indirect or consequential liabilities (all three of which terms include, without limitation, loss of profit, loss of business, depletion of goodwill and like loss), loss, damages, injury, costs and expenses (including legal and other professional fees and expenses) awarded against or incurred or paid by Valeo as a result of or in connection with the Supplier’s failure to perform its obligation to deliver Supplies that conform exactly to the Order and/or the Documents. Such costs and expenses shall include, without limitation, costs and expenses associated with rejects, stocking, sorting, interim costs, re-work, breakage of tools, breakdowns, and/or line stoppage at Valeo or its customer's facilities, yard campaigns, penalties, ordering Supplies or tools from a third party.

If the Supplier fails to deliver the Supplies that conform to the Order and/or Documents, Valeo shall also have the option of canceling the Order in accordance with Article 13.2 herein.

7. **Warranties**

7.1 The Supplier, an expert in its field, assumes full responsibility and liability for the Supplies, their design, the manufacturing processes used to produce them, the technical choices to be implemented for their production, and their fitness for the particular purpose for which they are intended. The Supplier confirms that it is perfectly aware of this no matter what assistance Valeo may have provided during the development stage of the Supplies.

The Supplier warrants that the Supplies shall conform to the Order and/or the Documents from the time of delivery, and be of satisfactory quality and free from defects, whether the defect is the result of an error in design, materials, manufacturing or otherwise, or is hidden or obvious.

7.2 The Supplier shall indemnify Valeo against all direct, indirect or consequential liabilities (all three of which terms include, without limitation, loss of profit, loss of business, depletion of goodwill and like loss), loss, damages, injury, costs and expenses (including legal and other professional fees and expenses) awarded against or incurred by Valeo as a result of:

7.3.1 Valeo, its customer(s), or competent authorities recalling a Supply or a product in which any Supplies have been used; and

7.3.2 the Supplier failing to deliver the Supplies free from defects.

7.4 The indemnity in Article 7.3 above shall include, without limitation, reimbursement or free replacement of the defective Supply, labor expenses, sorting, interim costs, exceptional shipping, line stoppage at Valeo or at the facilities of its customer(s), yard campaigns, recalls, penalties and the cost of ordering Supplies from a third party, including tools.
Any provision that might limit or decrease the Supplier’s liability under this Article 7 is null and void.

8. **Insurance**

The Supplier shall take out an insurance policy with a solvent insurance company of good repute, in compliance with Valeo conditions and shall provide proof thereof at Valeo’s request. This insurance shall in no event constitute a limitation of the Supplier’s liability.

9. **Assignment and Subcontracting**

9.1 The Supplier may not sell or transfer all or any part of the Order, without Valeo's prior, express authorization.

9.2 In the event direct or indirect control of the Supplier is changed or its business is sold or transferred, Valeo shall have the option of canceling the Orders in progress in accordance with Article 13.2 herein.

9.3 The Order may not be subcontracted by the Supplier, whether in full or in part, directly or indirectly, without Valeo's prior, express authorization.

    Should the Supplier be authorized to subcontract all or any part of the Order to a third party, the Supplier shall remain solely and fully responsible and liable to Valeo for performance of the Order and these General Terms of Purchase. The Supplier shall compensate, indemnify and hold Valeo harmless from any claim from the subcontractors.

10. **Confidentiality**

10.1 All information provided to the Supplier by Valeo or one of its affiliates or representatives, including, but not limited to, technical, industrial, commercial, or financial information, no matter how said information may have been provided (orally, in writing, or other), including but not limited to the designs, drawings, descriptions, specifications, reports, microfilms, computer disks, software and documentation related thereto, samples, prototypes, etc. shall be confidential (the "Information").

    The Information shall also include information of which the Supplier's employees or agents, suppliers, subcontractors, representatives, and/or permanent or temporary collaborators may become aware during the Order.

10.2 The Information may only be used in connection with the Order. The Supplier shall take all measures to ensure that no Information is disclosed or revealed to a third party.

    Any failure to comply with this obligation of confidentiality shall result in the application of Article 13.2 herein.

10.3 This obligation of confidentiality shall remain in effect for a term of five (5) years after termination of the Order for any reason whatsoever. Once the Order is finished, the Supplier shall, at Valeo’s request, return to Valeo all documents related to the Order, whether confidential or not, without keeping any copy unless Valeo has granted its prior, express authorization to do so.

11. **Transfer of Ownership/Risks**

11.1 Supplier transfers to Valeo title to the Supply which is subject to the Order upon the earlier to occur of (i) Supplier’s commencement of manufacture, production or fabrication of such
Supplies or (ii) acquisition of such Supplies by Supplier from Supplier’s subcontractor or supplier of the Supplies, if applicable. Any stipulation of any nature reserving to the Supplier directly and/or indirectly ownership rights of the Supplies until full payment of the price of the Supplies shall be null and void. The Supplier hereby waives any and all claims with respect to such stipulation.

11.2 During the Order and prior to delivery, Valeo reserve the right to audit all manufacturing processes for the Supplies and the Supplies themselves on the Supplier's premises or those of its subcontractors, if applicable. The Supplier hereby grants Valeo free access to its premises at any time and shall ensure that Valeo has free access to its subcontractors’ premises and the Supplier shall give Valeo the opportunity to test the Supplies without said testing limiting in any way the Supplier's liability or warranties.

11.3 Risks of loss of the Supplies shall be transferred when delivery of the Supplies is accepted, no matter what delivery conditions may be shown on the Order.

12. **Molds, Tools, and Other Specific Equipment**

12.1 All molds, tools, and other specific equipment provided by Valeo for the needs of the Supplies (the "Equipment") shall remain Valeo's exclusive property. The same shall be true for Equipment created at Valeo's request and on its behalf, as it is created, including the related industrial or intellectual property rights.

In all cases, the Equipment shall be deemed to have been left on deposit at the Supplier's premises for the purpose of the Order, even in the absence of any specific loan agreement or deposit slip. The Equipment may only be used in conjunction with the performance of an Order and may not be lent, made available to a third party, reproduced, copied, pledged and/or granted as security. At the Supplier's expense, the Equipment shall be marked by an easily visible, non-removable identity plate that shall state "Property of Valeo – may not be sold, transferred, or pledged" ["Propriété VALEO - incessible et insaisissable"]. The Equipment may be taken back by Valeo at any time.

12.2 As bailee of the Equipment, the Supplier shall warrant its perfect servicing, safe-keeping, verification, and maintenance so as to prevent in particular any deviations in the manufacturing process or breakdown in supply, and shall provide a precise and detailed inventory of it at Valeo's request and as often as necessary. Likewise, the Supplier shall be responsible for replacing the Equipment in the event of loss, theft, destruction, or premature wear and tear. In connection with this, the Supplier shall take out all necessary insurance policies covering risks and damage that the Equipment may cause to third parties and shall provide proof of said insurance at Valeo's request.

Upon termination of the Order for any reason whatsoever, the Equipment shall be returned to Valeo in full ownership at Valeo's request.

13. **Termination - Cancellation**

13.1. **Termination**

13.1.1 The Open Order is placed for an unlimited period of time and the quantities for which Valeo commits itself shall be those shown on the delivery schedules. Valeo may terminate the Open Order at any time by registered letter subject to prior notice of three (3) months. The notice period may be reduced by express agreement of the parties in the event of an emergency. During the notice period, the Order must be performed in accordance with the contractual terms and conditions that are in effect at the time of notice of termination is sent, in particular
regarding price. Termination of the Open Order shall not give rise to any indemnity or compensation being owed to the Supplier for any reason whatsoever.

13.1.2 The Closed Order is placed for a limited period of time and may not be renewed.

13.2. Cancellation

The Order shall be terminated without any formality upon Valeo’s notice in writing by way of registered letter to the Supplier if the Supplier fails to perform or observe any of its contractual obligations, provided that the Supplier fails to remedy in part or in total such breach within eight (8) days of receipt of such notification requiring it to do so. Valeo shall have the right to pursue any and all remedies for such breach as are permitted by applicable law.

14. Miscellaneous

14.1 If any of the provisions of these General Terms of Purchase shall be held invalid or unenforceable, the remaining provisions shall remain in full force and effect.

14.2 Failure by Valeo at any time to exercise any of its rights under these General Terms of Purchase, the Order and/or the Documents shall not be deemed a waiver thereof, nor shall such failure in any way prevent Valeo from subsequently asserting or exercising such rights.

14.3 The Supplier shall make no reference to its commercial relations with Valeo without Valeo’s prior, express authorization.

14.4 In the event of a dispute (including any non-contractual dispute), the laws of England and Wales shall be the governing law and exclusive jurisdiction shall be granted to the Courts of England and Wales. The Vienna Convention of 1980 on the International Sale of Goods shall not apply.

14.5. Data relating to a physical person who is a supplier will be integrated into a database. The purpose of this database is to manage orders and payments.
