

Valeo certified “Global Top Employer” for third year running

Paris, March 15, 2017 – Valeo has been certified as a “Global Top Employer” for the third year running. Only ten companies worldwide received this honor in 2017, in recognition of best practices in human resources, particularly talent attraction, compensation and benefits, and training and skills development.

The “**Global Top Employer**” label is awarded by the Top Employers Institute to multinational companies that are certified individually in at least 20 countries on several continents.

In 2017, Valeo was named a “Top Employer” in 23 countries spread across five continents. The Group has also been certified “Top Employer Europe” and “Top Employer Asia-Pacific”, with 13 countries singled out in Europe (Belgium, Czech Republic, France, Germany, Hungary, Ireland, Italy, Netherlands, Poland, Romania, Spain, Turkey and United Kingdom) and five in Asia-Pacific (China, India, Japan, South Korea and Thailand). The other countries that earned a distinction are Egypt and Tunisia in Africa; and Brazil, the United States and Mexico in the Americas.

Valeo has 91,800 employees in 32 countries. To support its fast-paced growth, the Group intends to continue its assertive recruitment drive and hire an average 10,000 people each year over the next five years.

In an increasingly competitive environment, attracting top talent is key to Valeo’s ability to maintain its technological leadership and support business growth worldwide, while responding to the challenges of reducing CO₂ emissions and developing intuitive driving.

Valeo is an automotive supplier, partner to all automakers worldwide. As a technology company, Valeo proposes innovative products and systems that contribute to the reduction of CO₂ emissions and to the development of intuitive driving. In 2016, the Group generated sales of €16.5 billion and invested over 11% of its original equipment sales in research and development. Valeo has 155 plants, 20 research centers, 38 development centers and 15 distribution platforms, and employs 91,800 people in 32 countries worldwide. Valeo is listed on the Paris stock exchange and is a member of the CAC 40 index.
